CCSNH Pell Recalculation Policy

The Pell Recalculation Date (PRD), also known as the Financial Aid Freeze Date, is the date when the Financial Aid Office locks your enrollment for the semester. On this date, the Financial Aid Office calculates the number of credits you are enrolled in to determine your eligibility for the Pell Grant or other federal grants.

For the Spring 2025 Semester, the Freeze Date is Tuesday, February 11, 2025.

- You should register for ALL courses you plan to attend for the Spring semester at any CCSNH college on or before Tuesday, February 11, 2025.
- Classes added or dropped after the PRD will not affect your Pell Grant award (increase or decrease) for the semester.
- If you withdraw from a course(s) **prior to February 11, 2025**, the course(s) credits will not be Pell eligible.
- If you do not attend classes for which you received the Pell Grant, you will be subject to a Pell recalculation.
- If you withdraw from all courses officially or unofficially, you may be subject to a "Return of Title IV" calculation, and a reduction of federal financial aid dollars.

The full Spring semester begins on Tuesday January 21, 2025. CCSNH colleges have multiple start dates within the Spring semester. Check your schedule carefully so you know when your classes begin.

If you have not registered at the college before February 11, 2025, and you then register for courses that begin later in the semester, you should register for those courses at the same time to maximize your eligibility for the Pell grant or other federal grants.

To be eligible for Spring federal loans, you must be registered for at least six (6) credits at the time of disbursement.
